† **Giancarlo Moro**

Dear friends and members of the MLAIC,

We have just received the information that our dear friend, Giancarlo Moro (Italy), has passed away. Finally, he lost his fight against that scourge of mankind, called cancer.

Giancarlo once started his career as a pistol shooter in the MLACI before he switched to clay target shooting. He participated in almost all international competitions since the World Championships in 2004 (Batesville, USA).

As a very passionate collector of antique fire arms, he had a very broad knowledge of muzzle loaders and he has been a member of the board of CNDA from 2004 through 2012. As such, he was also involved in the organization of the European Championships in Parma in 2007. He supported CNDA in any aspect and therefore is part of the success of CNDA.

His illness did not prevent him from shooting. His last official event was the Grand Prix of Hungary last year. He enjoyed it very much and he was happy to be amongst his friends. However, although he was also registered for the World Championships in Hungary, he could not participate any more.

In these bitter hours, our thoughts are with his wife, Eleonora, and with his family. May they have the strength to cope up with this loss.

We, as MLAIC, shall always keep him in honourable memory.

May Giancarlo rest in peace.
