Add e.) The minimum width of the front blinder must be 3 cm.

4) 4.10. Range standards. Specific Rules also apply for Clay Targets Rules 5 and Long Range Rules 7

a.) Targets

iii) The frames shall be so constructed that the top edge of the target is not higher than 1830mm or lower than 1520mm from the ground ~~where the target is located.~~ **of the firing point.**

5) 4.7. Firearms. Specific Rules also apply for Clay Targets Rules 5 and Long Range Rules 7

A. General:

b.) ~~All firearms must be privately owned. It is not permitted to borrow firearms from Museums and the like.~~ **To be deleted, it is impossible to verify.**

6) 5.15 Clay Target Shooting Layout

Ground Level = **Ground** Level

The point where the clay target leaves the trap house is not correct on the plan.

7) 5.12 Shooting rules

o.) The use of safety spectacles and hearing protection is mandatory when shooting.

Proposal:

o.) **The use of eye protection and hearing protection is mandatory when shooting.**

(Why? Many shooters use spectacles which are not of safety and is very difficult to check on the range. For target events, safety glasses are no longer required.)

8) 4.9 Accessories

e) Clothing in MLAIC competitions

i) Forbidden clothing in MLAIC competitions:

dd) Footwears that extend past the wrist joint in pistol events

Proposal:

dd) **Footwears that extend past the wrist joint in handgun events**
