**Question**

*Will the Feinwerkbau History 1 and other "Billinghurst like underhammer Pistols" be accepted in Kuchenreuter events after 31 December 2020?*

**Remarks**

*The Feinwerkbau History 1 will be accepted in Kuchenreuter events after 31 December 2020 only if : 1. the trigger system corresponds with contemporary systems (i.e. of the time of production of the original!).  
2. The shooter has proven that the trigger system is in line with the MLAIC rules (i.e. a simple, old system - contemporary).*

Additional pictures and remarks

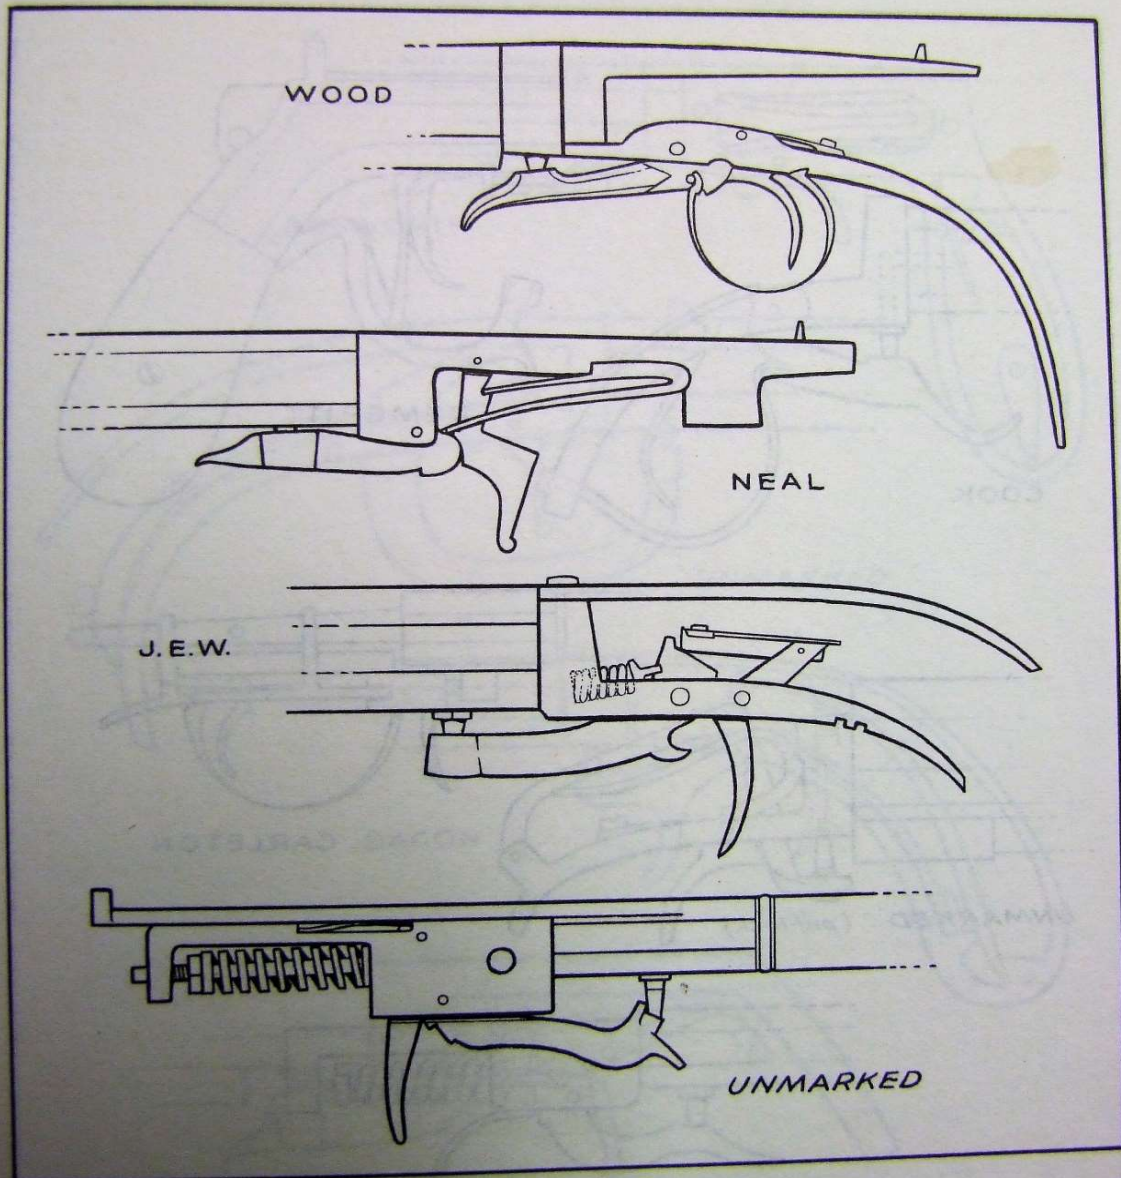

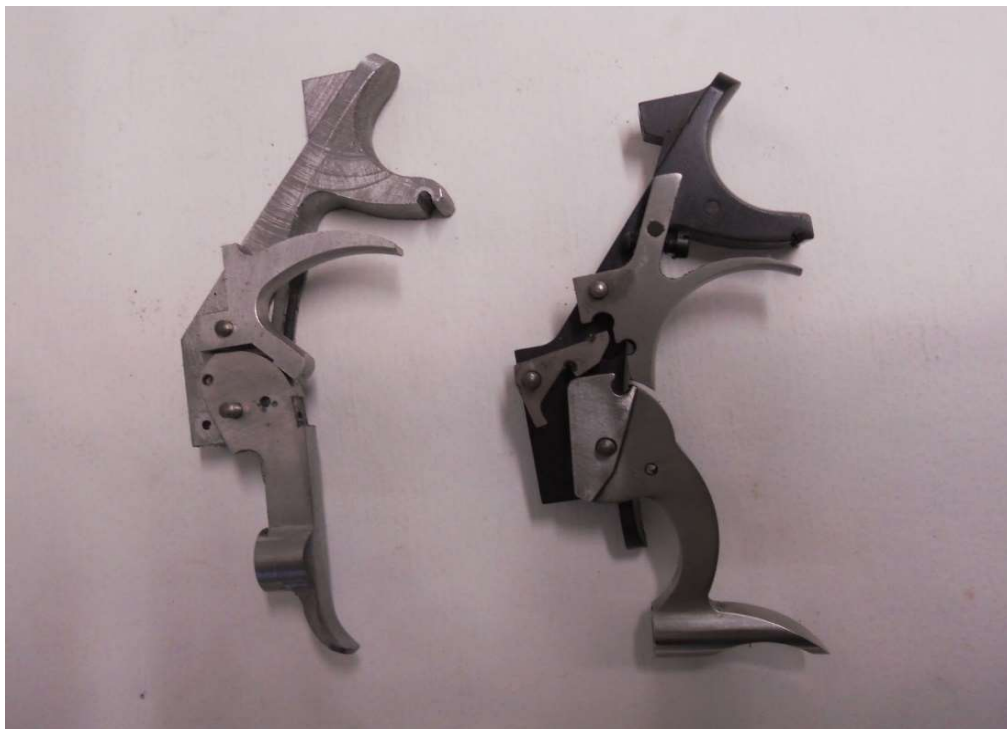

FIGURE 17. Owing to the simple mechanism to be found on the vast majority of Underhammers, it is felt that the cross-sections to be seen in this figure and in figures 18, 19, and 20 require no further explanation.
